It is truly my honor to serve as the Superintendent of Lueders-Avoca ISD. I have been in the business of educating kids for the past 30 plus years and have chosen to stay in small school systems because of the close working relationships possible with ALL students and staff. I feel blessed to have had the privilege of working with tremendous young people and high quality educators during that time.

The students and staff in our district display and exhibit a unique sense of caring and love for one another and often consider and refer to each other as "Family." Our values continue to drive our desire for student achievement in academics and extra-curricular activities, but most importantly, skills to be successful in the game of LIFE when they leave our hallways. We are blessed to have outstanding teachers and staff, a supportive community, and hardworking students.

Please feel free to visit our campuses to see firsthand, these terrific accomplishments and our fantastic kiddos and staff. We as educators thank our community and parents for allowing us the opportunity to work with your most precious assets, your children.

Respectfully,

Bob Spikes, M. Ed.
Supt.
